MAT-SU BOROUGH SALES TAX

Tomorrow night, June 20, the Mat-Su Borough is discussing a 3% sales tax for the purpose of raising money for education. They say that if it is approved by the assembly then it will be on the ballot in October for voter approval. Assembly meetings begin at 6pm. If you wish to speak on this topic, arrive a little early and sign up in the back of the room for Ordinance 17-093.
